- Power saving mode
- Extreme power saving mode
- Fast charging (5V/2A)

ADDITIONAL FEATURES

- Motion Launch
- Quiet ring on pick-up
- Pocket mode
- Flip to mute
- Display color personalization

Notes:

1. All units of measurement may vary slightly according to manufacturing tolerance.
2. Platform version may be different after software updates.
3. Network bands in regions may be different, depending on the mobile operator and your location. 4G LTE™ only available in select countries. Upload and download speeds also depend on the mobile operator.
4. The battery claims herein may vary based on cellular network, location, signal strength, feature configurations, app and phone usage, and many other factors. Actual results may vary.

Specifications may be different after software update and are subject to change without prior notice.
